Covid-19 Statement

In view of the trade and travel restrictions due to the Covid-19 pandemic across the globe and the precautionary health and travel advisories issued by the Indian Government, Messe Frankfurt India has postponed Paperworld India, Corporate Gifts Show, Interior Lifestyle India, and Interior Lifestyle India presented by Ambiente India, as well as the Mumbai editions of Gartex Texprocess India, Screen Print India, LED Expo, ISH India powered by IPA exhibitions and the upcoming edition of Busworld India (Bengaluru). Conferences such as Pharmasafe India, Indian Bulk Liquid Storage Summit, Rural Market Summit India, Rail India Conference, India Refining Summit have also been rescheduled.

All other exhibitions and conferences of Messe Frankfurt scheduled in India between August – December 2020 will go ahead as planned, taking into consideration all government directives.

As a responsible player in the global trade fair industry, Messe Frankfurt is committed to delivering a safe and conducive environment for business exchange across all of our trade shows and will continue to ensure hygiene and basic medical assistance as per our standard practices, during the three days of the exhibition.

The health of fairgoers, contractors and staff is our top priority and should there be a directive issued by the competent government department, Messe Frankfurt India will ensure the health advisories and its requirements are effusively followed.

**Kindly visit the website of the respective trade fairs and conferences for the new dates.*
